ENJOY LEARNING

Launched in 2003, with an array of student notebooks, Classmate currently offers a comprehensive stationery portfolio with writing instruments (ball, gel and roller pens, and mechanical pencils), mathematical drawing instruments (geometry boxes) scholastic products (erasers, sharpeners and rulers) and art stationery products (wax crayons, plastic crayons, sketch pens and oil pastels).

Experiencing joy in learning is the most powerful driver for developing knowledge & skill, nurturing curiosity, enhancing creativity and achieving a sense of satisfaction.

It is this emotion that Brand Classmate relentlessly delivers across all of its stationery products and services to ensure an authentic and wholesome learning experience for children.

Every offering of Classmate comprises of a bouquet of features and benefits that translate into an innovative way of bringing learning alive.

Ranging from notebooks with best in class paper credentials for a delightful writing experience, gamified skilling through activities on the notebook and the App, to experiential learning through the Interaktiv notebook series with DIY Origami paper folding, 3D Craft and Augmented Reality immersions, Brand Classmate is at the forefront of revolutionising the way children learn.
Enjoy Learning with Classmate.
